Internships

Our Internship program goes through three different venues. MSU-B, a local college; HRDC, a program for at-risk youth; and the local high schools. In 2018 we had one intern which turned into a paid position.

School Visits

Our staff members have made several visits to schools in Billings and surrounding areas to help promote knowledge of our Industry and to find how we can better serve the needs of these schools through Promotion and Public service. In addition, Connoisseur Media continued our “Love Billings, Not Bullying” campaign with support of the Billings Police Department, Yellowstone County Sheriff, School District 2 Superintendent and community officials. The program provides a source of info for students and parents to identify and stop various forms of bullying and gives students a forum to get help in handling being bullied.

Downtown Billings Alliance (DBA)

Through the Spring, Summer and Fall of 2018, DBA members were allowed access to the stations for promotions of their events and to discuss plans for future items. In many cases, we partnered with the DBA for these events including: “Alive After 5” – this was a 13 week series of business mixers/ social gatherings designed to further acquaint members of the general public with members of the DBA as well as to feature specific businesses that are members. Dates were each Thursday from June 7 through August 30, 2018.

Employment Fair with Job Service

We participated in a Large job Fair with the Billings Job Service in March 2018. We had a booth that was manned all day by staff and we took resumes for all departments in our building. A couple of interviews were scheduled from this job fair.
